

## WARNING

**WINTER COVERS ARE NOT SAFETY COVERS. TO AVOID RISK OF DROWNING,  
KEEP ALL PERSONS AND ANIMALS OFF COVER.**

### WARRANTY CLAIMS

The majority of warranty claim denials come from improper cover installations. It is imperative that you read all instructions on the back of your warranty card carefully before installation.

### IMPROPER INSTALLATION

Improper installation of a cover will void all warranties including but not limited to, the examples shown below. If you are unsure of the proper way to install your cover, please contact the retailer or a pool professional.

## THESE ACTIONS WILL VOID YOUR WARRANTY

- 1 *Do Not* secure or tie off with ropes or bungee cords!
- 2 *Do Not* pull cover taut across the pool!
- 3 *Do Not* stake cover down at grommets!
- 4 *Do Not* weigh down cover with weights, cement blocks or concrete of any type!

- 5 *Do Not* hang blocks, buckets or weights of any type!
- 6 *Do Not* use water bag loops as ties or stake them down in any way!
- 7 *Do Not* cover a pool that has no water or may have a leak!
